

Heuristic Evaluation

Heuristic	Issue	Severity of Issue	Rating
#6 Recognition rather than Recall	Hamburger menu, chat button	Frequency → affects all users who use the site Impact → doesn't prevent accomplishing goals Persistence → one-time issue?	1
#8 Aesthetic and minimalist design	Overlapping text and images, small font	Frequency → affects all users Impact → can prevent accomplishing goals as users cannot read the text properly, so they may give up buying the clothing Persistence → repeated issue	4
#4 Consistency and standards	Inconsistent product placement	Frequency → affects all users Impact → doesn't necessarily prevent accomplishing goals Persistence → repeated issue as the entire site is organized in this manner	2
#1 Visibility of system status	Lack of breadcrumb navigation system	Frequency → impacts all users Impact → can impact backtracking and returning to previous pages Persistence → constant issue as entire site is organized as such	3
